

Perfection for even the smallest of spaces!

Models may vary from the image shown

This compact keyboard is the perfect solution for users with only limited space available and low weight requirements. For example, applications in the banking sector, medical institutions or portable systems. Also suitable for 19-inch applications. This keyboard is perfectly suited for slim-line PCs and laptops and can be enhanced optimally with the numeric block G84-4700.

FUNCTION AND PERFORMANCE

- Individual keys with Gold Crosspoint contacts (MX technology)
- Codeset 3 support (PS/2 connection only) e.g. for Unix computers
- Perfect key feeling
- High quality and compact 19' PC keyboard - space-saving and ergonomic
- High-quality keyboard for outstanding writing performance, fulfilling even the highest demands
- Extremely high service life of individual keys
