

EASYHUB Corded MultiMedia Keyboard

Models may vary from the image shown

Keyboard with built-in USB connection

The new EASYHUB keyboard from CHERRY - a practical USB connection. The unique built-in USB port delivers excellent performance. It is prominently located and easy to find, but at the same time complements the stylish finish of the keyboard.

Key benefits

- Ultra-flat corded keyboard with built-in USB connection
- Useful USB connection for rapid and comfortable connection of USB devices (e.g. MP3 player, digital camera, USB memory stick etc.) with no extra cable on the desk
- Modern, elegant design for desk and living room
- Ultra silent: Whisper keystroke for low-noise working performance
- Pleasant keystroke feel for typing free from fatigue. Ideal for everyday work
- 11 HotKeys for comfortable control of the most important Internet, Office and Media Player functions
